

Starflower Experiences summer 2016:

# EARTHKEEPERS™ July 5-8

If you like being outdoors, if you care about our fragile planet and if you want to learn more about the earth and how to care for it, then you should become an Earthkeeper.

Visit Mama Nature's Munch Room, meet a "Spec," dig up a buried time capsule and find out the secret meanings of "E.M." while rediscovering the natural world.

E.M. is the keeper of the keys, a mysterious lover of the marvels and mysteries of the natural world. E.M. knows that the earth is in trouble but E.M. also knows how people can help renew their connections with the earth. Becoming an Earthkeeper like E.M. is an important task.

Participate in this magical learning adventure and earn four keys to help you live in harmony with the earth and understand how the systems of life on earth operate.

Directions and further information will be mailed upon registration.

*The Earthkeepers™ program, developed by The Institute for Earth Education, is currently being run at sites across the U.S., Canada, Britain, Australia, Italy, Japan, and Cyprus.*

## Earth Explorers July 11-15

You are eligible if:

- ✎ you are an Earthkeeper or Earth Ranger (finished 4th or 5th grade)
- ✎ you are an Apprentice Earthkeeper (are attending Earthkeepers training July 5-8)

A week of adventures will lead to discoveries that will help you find your place in the natural world. You haven't seen it all. Poke around in places you haven't yet been. Plus, uncover more of your hidden connections to the earth's systems and find out some good things people are doing. We'll head out to explore other locations, too.

**Times:** 9:00 - 3:00

**Where:** Manor Farm,  
210 Manor Rd, Elwood

**Who:**

**Earthkeepers:** Children who have completed Grade 4 or 5
